

Seriously Emotionally Disturbed

DESCRIPTION OF MAJOR SERVICES

Assembly Bill 3263 requires Human Services (HS) to pay out-of-home costs for seriously emotionally disturbed (SED) children. The SED children under this program are referrals from the county's school districts whom have not been abused or neglected and are placed out-of-home pursuant to an individualized education program (IEP). These clients are referred to the Department of Behavioral Health (DBH) whom has case management and supervision responsibility. This budget includes an expenditure offset of \$225,000 from DBH for clients placed in residential facilities outside of California. This budget unit is funded 40% by the state with the remainder funded from Social Services Realignment and a county general fund contribution.

There is no staffing associated with this budget unit. Services for this program are provided by staff budgeted in the Human Services Administration budget unit.

Actual appropriation for 2007-08 was 4.5% less than modified budget. Caseload increased 19% and the average grant increased 6% from the prior year. The increase in the average grant is attributed to the placement of clients in more costly in-state group homes rather than out-of-state group homes. DBH is required to reimburse HS only for clients placed in out-of-state group homes.

In 2008-09, program costs will increase over actual 2007-08 expenditures due to increased caseload and higher costs associated with out-of-home care. It is projected that this program will surpass the expenditure levels from the prior year's budget by \$238,388. Additional revenue of \$95,355 is projected while local share is projected to increase \$143,033. The local share increase will be funded with an additional \$100,123 in Social Services Realignment and \$42,910 in county general fund contribution.

This budget is funded 40% by the state with the remainder funded from Social Services Realignment and a county general fund contribution.
